

# Moises Aguayo

Moises Aguayo is the senior pastor of The Church @ North Orlando, a new and thriving church plant in the Winter Park area. It's a church that exists to Inspire people, Influence the city and Impact the world with the gospel of grace.

Moises served as a youth pastor for almost 12 years at Faith Temple in Rochester NY under the leadership of Pastor Stephen G. Edlin. It was during that time that he had the privilege of leading a generation into a fresh and powerful experience in God.

He is a visionary leader that leads with passion and preaches with bold conviction. He loves to combine humor and practical life application in order to make the scriptures come alive for all generations.

In August of 2010, Moises and his wife Becky received the call of God to plant a life-giving church in the Orlando Area. Loaded with a vision to reach the lost for the kingdom, he packed up everything, moved 1200 miles, and started (TCNO – the church at north Orlando) in April of 2012.

Moises and his wife Becky have been married 11 years and have three children: Isabella (6), Luke (2) and Jacob (1) – was born just 4 days after the official launch of TCNO).

Come and hear his powerful testimony of how God can change even the most doubtful heart.

## SATAN ON THE MOVE AMONGST US?

As I sit to create this flyer for the group, I am reminded of all the Brothers and Sisters who are coming under attack of Satan and his minions. The list of members suffering with illnesses and infirmities seems to grow on a daily basis.

- Brother Bruce Urich fell and injured himself
- Brother Jack Lovin has been ill for months
- Brother Larry Godden and wife Pat have been ill
- Sister Dottie Blood has not yet fully recovered from a fall
- Brother Norman Gonsalves is recovering from a triple heart bypass surgery.
- Claire and Christina Gonsalves suffer from infirmities only God can heal.
- Brother Jim Maynard suffers from aches and pains constantly and the list goes on and on and on.

It is at these times we must continue to gird ourselves in the promises of God that He will care for our every need.

***Isaiah 54:17*** *No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the LORD, and their righteousness is of me, saith the LORD.*

JEAN MEEKS BARNHILL, 64, Ocoee, died Saturday morning - Ocoee Family Funeral and Cremation Chapel, Inc.

I loved the moment I first saw you  
In 67, when we first met  
Your precious smile and beauty  
I never could forget

Your joy for life and zeal to live  
Could only be surpassed  
By your fervent love of God  
And all the blessings you've had

Your love for family and family values  
You doled out through the years  
Made 'me' a better person  
As I write this through heartfelt tears

Many of us are walking prouder  
Because today we can truly say  
We knew Jean Barnhill  
A "lady" and dear friend in every way
