DAVID HUNT

I have had the distinct pleasure of knowing Brother David Hunt as a member of the Orlando Chapter of Full Gospel Business men's Fellowship International for almost twenty years. I admire his tenacity for The Lord and his desire for teaching God's truths to the lost.

David is a "No Nonsense" person when it comes to sharing the gospel, but I have learned over the years he has a keen sense of humor. He has been married to his precious wife Irma for 48 years. Together they have started their new ministry New Life Counseling, Inc. and this will be their new mobile office.

We hope you will join us to hear his personal testimony and enjoy great Christian fellowship on January 5, 2013.

About David (in his own words)

I am a true worshiper of God, our creator, and I believe in His only begotten Son, Jesus Christ. I have established a "Worship First Network" group on Facebook. If you are a true worshiper of our creator, please join us and share Him here with us. God bless!

I also have created two pages on Facebook, and I invite you to "LIKE" them and become a fan on each page. One is "New Life Counselors, Inc." and the other is "Major Issues". Each page has its own Christian perspective, and is a blessing to those who share my faith in our Lord. ...God bless! ...DLH

PRAISE REPORTS FOR DECEMBER

Christmas 2012 is over, the New Year 2013 is in swing, our weather is seasonably warm and we have so many things to be "Thankful" for.

1. Brother Norman Gonsalves has been recuperating well from his triple by-pass surgery and looked great at the December 28 Prayer Breakfast.

2. Dottie Blood sounded great when we last spoke with her and shares she had a revelation about her recent illnesses and injuries. She said, "God showed me that He was refining me through all this."

3. Pastor Tom's Mother in law received a full, clean bill of health at the age of 82, but must remain on blood pressure medications.

4. Jack Micci underwent knee surgery on his right leg and is home recovering. He is chomping at the bits to get back to work. Jack now has a more keen understanding of what the elderly go through when they are confined to an assisted living facility and family doesn't come to visit.

5. Brother Jack Lovin is still recovering from his recent hospital stay and is in rehab.

Please pray for all these
