

Marcy Murdoch

Marcy is the widow of our beloved Curtis Murdoch who created and shared the medley of songs we sing at some of our meetings. Although the list of accolades for Marcy includes accomplished musician/singer, capable of writing music, playing piano/keyboards and recording artist, the list goes on.

Marcy is also an ordained minister, prophet, Bible teacher, and CEO of “Master Plan Charities, Inc.” an organization that assists families in need. In the process of helping these families she teaches life and work related survival skills. Her mentoring and encouragement to others is inspiring to and is helpful and gives the individual the desire to try life again for a better end result.

If these accomplishments weren't enough in one life time, Marcy's testimony isn't about all of this. She has undergone nine surgeries in the past five years, one in which she died during surgery. Through this miraculous recovery she has received revelations and insight directly from The Master Himself. These revelations have changed her life forever and are now lighting her way to share with others. Please come to be blessed by this personal testimony.

WHAT HAS CHANGED OVER TIME?

It has been discussed numerous times recently how our meetings used to be standing room only. Prayer breakfasts were so packed the servers had to pass food over members and the dinner meetings were akin to this old black and white photo.

“Healings would take place and the presence of The Holy Spirit was felt in these meetings”, one brother commented. How can we get back to where we were in the past? I am not sure, but I do know that by inviting at least one person to join you at this next dinner meeting will fill at least one more chair. Please keep FGBMFI in your prayers.
