

# Morris Hash

Morris Hash was born in 1933 in Bud, West Virginia and the list of talents he has amassed in the past 81 years may only be just beginning. Morris has been a night club owner; Sheriff of Brevard County; owned a funeral home for ten years; was the creator of “foam lettering signs” and is a licensed pilot. He has been an ordained minister since 1987 studying at the Institute Of Biblical Study under the hands of Jerry Falwell. He has been married to his precious wife Bonnie Jean since 1962. She is currently back in Sparks, Georgia where Morris calls home.

Morris has been a bass guitarist for many years traveling the Nashville/Country Western circuit playing with numerous bands. He has performed with artists like Willie Nelson; Waylon Jennings; Kenny Rogers; George Jones/Tammy Wynette; The Calhoun Twins, and many others. He has traveled throughout the United States and has filmed over 7,000 segments for the hit television show “American Idol”. He has a portable recording studio he has brought to the Orlando/Central Florida area in search of young talent capable of producing new and never before produced Gospel songs. He is currently volunteering at the local Moose Lodge assisting in areas that will help to raise their membership while working on getting his portable recording studio set up. I have been fortunate to be able to assist him in doing this. I pray you will gather your friends, neighbors, associates and even your enemies to come and join us for this great event. It is my hopes Brother Morris and I can get a couple of the Gospel music performers in attendance with us on August 2. When you come be prepared to enjoy some great music and Christian fellowship as this Brother in Christ shares from his heart as he shares what God has done in his life and what He is about to do in his final chapter before God calls him home.
