

# Mr. and Mrs. Fred Tyler

The most exciting part of my testimony is ~ **JESUS**

I grew up attending All Saints Episcopal church in Winter Park. My folks graduated from Rollins. As a little boy I *knew* who Jesus was but it was much later I understood that He was a real person. Prior to that I would pray and my expectation was that just like rubbing a lamp, my prayers/wishes would be granted (or not).

As a young man I was not too impressed with people who were too vocal about their faith in Jesus. Now I understand and have joined those ranks. I was sent away to boarding school in the 9th grade (I was a little incorrigible). A divine connection was made with a man who helped me to make the 1972 Olympics and win a gold medal as part of the 800 meter freestyle relay.

God's hand has been on me my entire life. I will be retiring from teaching/coaching in July after 35 years. I believe that God has a wonderful plan for me to share His love and I am excited to do it. I am involved in ministry to men ("**AMEN**" at Northland on Tuesdays and lead a group of men at Killarney Baptist on Wednesday evenings), have attended the "**Man in the Mirror**" events. I lead Bible studies, "**Courageous**", and "**Not a Fan**".

I accepted Christ as Savior in 1982 but it was not until December 26, 2005 that I confessed my need for Jesus to be the Lord of my entire life. I have been experiencing a personal revival since that is WONDERFUL! Check out our **Tap In to God's Love** on Facebook, I think it will give you an idea of where God is taking us. My wife Renee and I have been married for 34 ½ years, we have a son, 2 daughters, 2 grandsons, and a granddaughter).

Love,  
Freddie T

## **PRAYER REQUESTS**

- **Brother Jim Maynard**: Jim has been suffering with heart problems lately and was admitted into the hospital in early April with "congestive heart failure", fluid had filled his lungs. After this was going better Jim was transferred to the new V A Hospital Nursing Home at Lake Nona for physical therapy. During his second night there (April 23) Jim slipped and fell in the bathroom; hit his head and broke his hip (preliminary findings). Jim was transferred to Osceola Regional Hospital in Kissimmee, Fl. He is still there and needs all the prayers he can get for healing for him and his family from all the stress and worries these changes have created.
- **Brother Jeff Robinson's wife**: Sister Robinson has been suffering from "shingles" the past month and Jeff has been staying with her and praying for her. Praying for complete healing.
- **Claire and Norman Gonsalves**: Healing for their daughter Christina. This has been an ongoing battle and God's word teaches us we must continue to pray and never give up. Christina was re-admitted to the hospital to have her port replaced. She has such a positive spirit about her.
- **Marie Blakely**: Marie fell at work one day and suffered injuries to her arm; shoulder and lower back. She has been placed on medical layoff until the doctor releases her to go back to work. She truly cannot afford not to work trying to keep a roof over the heads of her son and his three children. Praying for a complete healing; release to go back to work and/or acceptance of one of the applications she recently submitted to get back into the secretarial world.

## **PRAISE REPORTS**

- At our Friday morning prayer breakfast on April 10 we prayed for the electric windows on Brother Leonard VanCleave's car. They had quit working and he didn't have funds to have repairs done. On April 24 he reported they started working as soon as he left the breakfast and have worked perfectly ever since. God wants to help with the small stuff too – Right Leonard?
- At the last dinner meeting we had been praying for added strength and funds for Pastor Tom to continue working on his Mother in law's home or her insurance was going to be cancelled. Work was completed with photos and a video delivered to the insurance underwriter's office and the Mother in law not only got her insurance reinstated, but for much less per year and with a lower deductible.

**THANK YOU JESUS!**
